ADVANCED PROJECT MANAGEMENT

ABOUT IIM ROHTAK

Indian Institute of Management Rohtak is the IIM established by the Ministry of HRD, Government of India by IIM Act 2017. IIM Rohtak is an institute of national importance as per Ministry of HRD, Government of India.

Established in 2009, Indian Institute of Management Rohtak is a benchmark for top management education in India with a vision to become a global leader in due course. The institute has an enlightened and progressive leadership, acclaimed faculty members, extensive infrastructure and robust teaching pedagogy in place. It continues to impart knowledge in the management domain with a unique cross-functional perspective to prepare future leaders who can manage and create powerful organizations. To realize the vision of the Institute, IIM Rohtak is providing world-class education in management not only through full-time and regular programmes but also through various long duration and short duration programmes.

Located within the National Capital Region (NCR) of India, IIM Rohtak is 90 minutes from Delhi international airport. The state-of-the-art campus spread over an area of 200 acres is strategically located on National Highway - 10 and is well connected to Delhi.

IIM Rohtak has been ranked amongst the top five IIMs in research. Institute offers a dynamic environment for high-quality research in all functional areas of management that will benefit various segments of the business and society.

PROF. DHEERAJ P. SHARMA
DIRECTOR, IIM ROHTAK

I am committed to providing to our faculty, staff, students, and other members of IIM Rohtak community a thriving culture that not only results in increased productivity but also fosters camaraderie and institute spirit. I invoke the ancient traditions of India to guide us to treat our work as worship so that we strive not for “work life balance” but for “work life integration”. I believe that IIM Rohtak culture that stems from our ancient traditions will produce scholars, managers, professors, and policy-makers who will exhibit superior work-ethic, high commitment, impervious focus, extraordinary decisiveness, strong persistence and positive attitude.

ABOUT UPTOP

The speedy pace of universal revolution compels working professionals not only to gain mastery in current trends, digital transformations and platforms but also to be able to connect that knowledge to their daily job. The ability to adapt and learn evolving trends can often unlock the next step in career advancement.

We are a dedicated platform for working professionals to help them to adapt, overcome, improvise and stay UP on the TOP as continuous learning is the key to maintaining a competitive edge and achieve rapid career growth.

The concept is just not to offer rapid executives development programs but to make professionals self-aware about different career stages and the need of continued development also helping working professionals to self-realize the essential of filling the gaps to have a swift career growth.

The principle of executive education is not to follow traditional learnings but welcoming the right set of combinations in the development programs well aligned with the industry needs.

We do believe that the executive programs cannot be uniform or traditional but have to be aligned with emerging industry inclinations as executives require highly actionable insights, frameworks, and strategies to apply in their own roles and processes which will empower them to meaningfully contribute to the success of their organizations and to their career growth.
